Claims 1-2, 5-13, 16-22, 25-29 are allowed.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

The primary reasons for allowance of claim 1 in the instant application is the combination with the inclusion of the limitation of “ .. the new device type to indicate to the application that the

application may perform a particular behavior defined by the new device type, wherein the particular behavior defined by the new device type includes allowing the application to determine a location to begin writing data in the data base". The above features have not been found in the prior art of record.

Claims 11,12,21, amended as per Examiner's Amendment, includes the same novel features as those found in claim 1 as noted above.
